DETAILED ACTION

Allowable Subject Matter

1. Claims 1-2 and 4-24 are allowed.
2. The following is an examiner's statement of reasons for the allowance:
3. With respect to amended independent claims 1, prior art fails to disclose or make obvious, in combination with other recited features of the claim limitations, a radiation protection arrangement for screening radiation emitted by a radiation source, in particular an x-ray source, having a screening element which comprises or includes a radiation protection material, and a cover which is matched in shape to the screening element and completely surrounds the latter, it being possible to pull the cover over the screening element and completely separate it therefrom, and wherein, for the purpose of altering the length, there is provided a fixing device such that the cover, with the screening element arranged therein, is turnable up in at least one direction and fixed in the turned-up arrangement.

Claims 2 and 4-24 are allowed by virtue of their dependencies on independent claim 1.

Conclusion

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany fee. Such submissions should be clearly labeled "Comments of Statement of Reasons for Allowance".
